The current prospectus of the Fund shall also be available from <https://www.prescient.ie/media-literature> , a paper copy of which will be delivered to you on request from Prescient Fund Services (Ireland) Limited (info@prescient.ie) and free of charge.³

Entitlement to redeem your interest in the Fund

Shareholders in the Fund are entitled to redeem their shareholding and receive the redemption proceeds relating to such Shares within the timeframe and subject to such conditions as detailed in the Fund's prospectus.

Voting rights and related matters

Save to the extent that a Shareholder has chosen to invest in Shares which do not carry voting rights, a Shareholder has the right to vote (whether in general meeting or, where so permitted under the Fund's prospectus by way of a written resolution) on shareholder resolutions relating to the Fund, relevant Sub-Fund or Class in accordance with the conditions set down in the Fund's prospectus.

Under applicable legislation, a Shareholder holding not less than 10% of the voting rights in the Fund (or relevant Sub-Fund or Class as applicable) may request the directors of the Fund to convene an extraordinary general meeting of the Fund (or relevant Sub-Fund or Class as applicable) in accordance with the provisions of the relevant legislation.

Entitlement to make a complaint

As a Shareholder in the Fund, you are entitled to make a complaint free of charge.⁴ Any such complaint must be handled by the management company promptly and effectively.

¹ Regulation 95(3) of the UCITS Regulations.

² Regulation 96 of the UCITS Regulations

³ Regulation 95(2) of the UCITS Regulations.

⁴ Under Regulation 25(3) of the UCITS Regulations, an investor in a UCITS fund must be able to file a complaint free of charge.

You also have the right to refer the relevant complaint to the Financial Services and Pensions Ombudsman after following the Fund's complaints process if you are still not satisfied with the response received⁵.

Further information on the complaints policy relating to the Fund is available from <https://www.prescient.ie/legal-information>.⁶

Investor rights against the Fund and service providers of the Fund

As a Shareholder in the Fund, you have a right of action against the Fund for any breach of contract.

Shareholders in the Fund do not have any direct contractual rights against any service provider appointed in respect of the Fund because of the absence of a direct contractual relationship between the Shareholder and the relevant service provider. Instead, the proper plaintiff in an action in respect of which a wrongdoing is alleged to have been committed against the Fund or its management company by the relevant service provider is typically the Fund or its management company as applicable.

Notwithstanding the foregoing, a Shareholder has a regulatory right of action to pursue the Depositary appointed by the Fund in respect (i) any loss of an asset held in the custody of the Depositary or any delegate of the Depositary or (ii) of any other losses caused by the Depositary's negligent or intentional failure to properly fulfil its obligations under applicable regulations⁷ provided that this does not lead to a duplication of redress or to unequal treatment of Shareholders in the Fund.

Representative actions under Irish law

Currently under Irish court rules, there is no formal representative action procedure in place which facilitates collective redress by consumers in respect of infringements of EU or national law. This means that any action brought in an Irish court relating to an infringement of Irish or EU laws governing collective investment schemes and their managers must currently be litigated on an individual basis.

A collective redress mechanism, as required under Directive (EU) 2020/1828, must be implemented in Ireland by 25 June 2023.
